

Approaching Magic David Regal Blue Bike

Chapter 1 : Approaching Magic David Regal Blue Bike

Approaching magic is a great book that david teaches a lot of his ideas in magic. although i have to say that i find some of his explanations in his card magic a bit short in understanding even with the pictures. Magic for stand up, sit down, near and far. how it works and how to perform it. "david regal's magic is just sensational, and the presentations are equally ingenious. he's fooled me, surprised me, made me laugh, and made me wonder. most of all, he made me wonder where all these great ideas come from. now every magician will know. Approaching magic by david regal - book over 500 pages and 1000 photographs bills, beer, socks, envelopes, dvds, coffee cups, baskets, boxes, borrowed rings, portable darkness, pieces of paper, paperback books, a bulletin board, a glass canister, a wand, a pencil, and a marshmallow..us cards & coins. David regal has created more great close-up magic in the past decade than anyone else i can think of. his previous books, star quality , close-up & personal and constant fooling (volumes 1 and 2) contain enough material to keep a magician practicing for a lifetime. David regal - approaching magic. pdf. david regal has created more great close-up magic in the past decade than anyone else i can think of. his previous books, star quality, close-up & personal and constant fooling (volumes 1 and 2) contain enough material to keep a magician practicing for a lifetime.
