

Gaels Laughter Tears Condon George E

Chapter 1 : Gaels Laughter Tears Condon George E

George Condon, long time Cleveland journalist and author, stars in the water: the story of the Erie Canal, Gaels of Laughter and Tears and a photographic history called Yesterdays Cleveland. His most recent book, West of the Cuyahoga, was published by Kent State. A well-known historian and lover-of-all-that-was-Irish, one of Mr. Condon's most popular books is a compilation of the whimsical and downright goofy nicknames of Cleveland's colorful Irish population: Gaels of Laughter and Tears.
